My dear Mr Balasundaram Iyer,

The accompanying estimate amounting to Rs 47455 for compensation to be paid for lands and buildings acquired in the Avenue and Kitchetty Chattram roads at Bangalore has been pending here for a long time It is not clear from the file whether the properties have already been acquired or they are still in the possession of the persons entitled to hold them at present The Dewan thinks that it is not desirable to acquire a large area like this, without a plan as to what has to be done with it after acquisition The site acquired for the City Police Station is still lying unused He wants to get the question of the use of the buildings and site settled as early as possible

The Chief Engineer has been sending reminders for the file The Dewan has also spoken to you about this personally
